

Providing Spirit, Pride and Support since 1975

2015/16

Thank you to all of our wonderful concession volunteers! We really appreciate all the interest in earning money to support the SWHS clubs/teams!

Because of the high demand to work in the concession stand, we are asking that volunteers initially sign up for no more than 4 shifts. On November 9th you may go back and sign up for as many remaining shifts as you would like! Thank you for your cooperation and understanding

To volunteer:

- Go to "Concessions" tab on the Boosters website at www.shorewoodboosters.com and follow the directions.
- If it is your first time working, request training.
- Students are welcome to volunteer and can receive community service hours, but must have a trained adult present.

Proceeds from the Boosters concession stand help support athletics, clubs and activities at Shorewood. **When you volunteer in the concession stand, you can choose to designate which group receives credit for your hours, and your child's team will benefit financially from your participation.** Not only will you be helping support athletics and activities at Shorewood, it is a fun and rewarding job where you get to meet other like-minded adults and mingle with the students!

We are fun and friendly group and want your experience in the concession stand to be as enjoyable as possible. Please let me know if you have any questions or concerns or suggestions. If you know of other parents that would be willing to volunteer, please pass this on. Go T-Birds!
