

The Shorewood Boosters is a fun and exciting Parent organization that focuses on enhancing all the Sports, Clubs and Activities offered (outside of the classroom) at Shorewood.

However, none of these things happen without parents stepping up to help. Spirit Nights, Concessions, Gear sales and the Auction happen when parents say:

YES I CAN!

Could you volunteer a few hours to:

- Work in the Concession Stand selling food and drinks
- Sell Spirit Gear at sporting events
- Help with a variety of big or small jobs for the Annual Boosters Auction
- Procure an item or two for the auction

YES I CAN!

The money generated from these fund raisers directly support your student and enrich their high school experience.

Here are a few of the items we were able to grant recently:

Grand Piano
Video Equipment
School furniture
(couches, chairs and tables)
Computer programs

Team jackets and bags
Band Uniforms
Culinary Arts Equipment
Running watches
Sports equipment

With your continued support and assistance, we will be closer to our objective of answering **every** grant request with:

YES WE CAN!

Our Membership goal is 100
